Tedlar® Wallcovering Brings Enduring Style and Cleanliness to Healthcare Environment

Changsha Guangxiu Hospital, Hunan China

Tedlar® was chosen for the recent renovation and expansion project at the Huan Guangxiu Hospital. A total of 5,500 sqm of DuPont™ Tedlar® wallcoverings was used for the newly built 6-story public corridors and ward areas, including 2,000 sqm of metal laminated panels and 3,500 sqm of wallcovering.
